DISCOUNT SURGICAL STOCKINGS has been serving the public for over 30 years, providing great prices and the largest selection on all types of compression products. We strive to bring you the best prices day-in day-out.

Absolute Support is our private line of High Quality Compression Value Priced and affordable!

All products are designed and engineered with your comfort in mind.

Absolute support delivers physician-prescribed elastic compression therapy guaranteed. Just like the big name “brands”, we take 4-6 compression measurements at precise intervals between the ankle and end of garment. Multiple measurements guarantee our garments are comfortable and deliver an accurate distribution of the pressure gradient.

Our house brands - Absolute Support and Ultimate Support now feature over 60 Styles, including many not available from anyone else. High Quality, Low cost it’s that simple.

We have a team of experts ready to serve you. Call us at 1-800-982-0939 to speak with a trained fitter specialist.

View our full line of products at www.discountsurgical.com.

Moshe Blinder President

"I have suffered from varicose veins for several years. Since I started wearing compression hose my legs don’t give me as much problems. Your hose are very reasonably priced and of great quality. I have always been well satisfied with my dealings with your company." — Anita

"These are the best surgical stockings I have ever used. They are easy to put on and take off. — Sharon"
Which compression level is right for you?

Gradient compression delivers a squeezing to the leg that is tightest at the ankle. The degree of squeezing or compression gradually decreases up the leg. Compression hosiery uses graduated and controlled pressure on the surface veins to provide a therapeutic effect. Always consult a doctor with any medical questions.

The compression descriptions are provided for reference only.

Diabetic/Walking Socks Light Support

Our Diabetic socks are designed with moderate compression for sensitive feet. This sock is ideal for Diabetics, those with sensitive feet and those looking for a walking sock with moderate compression. 8-15 mmHg graduated support provides improved venous blood flow in the legs. Soft padded sole for added foot protection. Superb moisture wicking fibers keep feet dry all day. Flat, non binding toe seam design, for added comfort.

Firm Compression 20-30 mmHg • Closed toe
$19.95
(3+ $16.95/pr)
(6+ $15.95/pr)

These are great support stockings. I am an RN and on my feet most of the day. These hold up well and give my varicose veins the support they need.” — Monyne

“These compression stockings have truly been a lifesaver. My legs were retaining so much fluid that I could barely walk. Once I started wearing the stockings, the fluid went down and the pain almost disappeared completely...” — Carroll

These stockings came exactly as described. They are sheer and have great support. I like that they are not too tight around the top band so they do not cut off circulation under the knee. They wear very well and are similar to other brands at three times the price.” — Dawn
Feeling SEXY has a whole new meaning!

Fashionably sheer, with perfect colors and exceptional support. They will reshape your perception of support hose. Comparable to other top brands that sell for six times the price! Look great and save money with the Absolute Support™ sheers.

If you have difficulty finding high quality graduated compression that fits your legs and your pocketbook, look at Absolute Support.

Our superior fitting, medically correct hosiery helps legs feel good from morning to night.

**Cotton Knee Hi Socks Medium Support**

Healthier, better-feeling legs begin at the ankles. Graduated support applies pressure and stimulates circulation at the ankle, slowly decreasing as it travels up the leg. Moderate graduated support gently massages and enhances upward circulation in the legs. By far our most popular sock, Absolute Support Knee Highs are clinically proven and physician recommended. Natural cotton construction provides a refreshing natural comfort. Thicker than our regular nylon/lycra dress socks, these socks are warmer in winter, cooler in summer, and ideal as an athletic sock for sports or walking. Reinforced Heel and Toe.

80% Cotton, 13% Nylon, 7% Lycra Spandex

- **Item # A105**
  - Medium Support • 15-20 mmHg • Closed toe
  - $14.95 (6+ $13.95/ea)

- **Item # A2105**
  - Firm Support • 20-30 mmHg • Closed toe
  - $14.95 (6+ $13.95/ea)
**Microfiber/Cotton Dress Socks Medium Support**

Super comfortable dress support socks with graduated support. Using modern knitting technology, we have added a layer of cotton inside, next to the skin, providing a softer cooler feel. Soft microfiber nylon stretches to fit comfortably. Moisture-wicking fibers keep feet dry and healthy. We’ve also added a design to the sock to add a bit of elegance to this very unique product.

80% Microfiber Nylon, 5% Dupont Lycra Spandex, 15% Cotton

**Item # A1013**
- Medium Support • 15-20 mmHg • Closed toe
- $12.95 (6+$11.95/ea)

- $12.95 (6+$11.95/ea)
Unisex Athletic Support Socks With Coolmax

By adding the technology of graduated compression, these sports socks give you the added benefit of improved circulation while performing any sport or leisure activity. You will notice your legs feel better at the end of any activity. Made with Cool-Max, a fiber that pulls moisture from the skin to be absorbed on the outside of the sock, they are thicker than standard nylon/lycra socks and provide a new level of comfort.
